Suite 1152  
Omaha, Nebraska 68102-1312

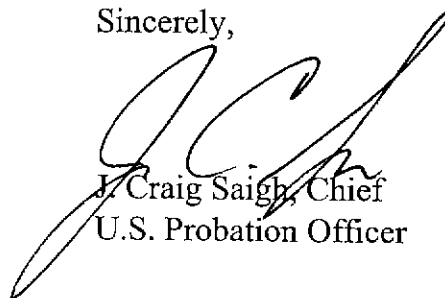

Dear Mr. McFarland:

On February 1, 2001, the Court's General Order No.01-03 **In RE: Sealed Records** was filed. According to ¶ V. of that Order (Disposition of Documents or Objects Filed Under Seal Upon Dismissal or Closing of Case), it is stated that "...the Clerk will return all Presentence Investigation Reports to the Probation Office or dispose of such reports in accordance with any agreement with the Chief U.S. Probation Officer. All remaining sealed documents or objects will be automatically unsealed when the file is sent to Federal Records Center."

Please allow this correspondence to serve as our agreement that you will dispose of subject reports rather than returning them to our office.

If this writing is not sufficient authorization for you to dispose of the subject reports, please contact me at your convenience.

Sincerely,

J. Craig Saigh, Chief  
U.S. Probation Officer
